“ My dear friend has closed her eyes and will see her heavenly Father now when she opens them again. Her heart has grown tired and ceased to beat. Someday, we will again call each other sisters when we meet. My condolences to Mickey and her family. Rest well dear friend. You have earned this peace that passes all understanding. Amen.

Imogene fought a long fight. No more pain, she is in a new body with her Lord Jesus Christ. Praying for Mickey and the family. My Aunt Mae was close friends with both of them.

Everyone who came into contact with Imogene knew that she had a heart of gold . There could never be a question that she held Martha, her sister, Donna, her niece, and Daniel and Amy in her heart as her "family". I have not doubt that she and Martha have not stopped talking since she got to heaven. I have fond memories of Imogene and her family.
