“ *My thoughts and prayers are with your family at this most difficult time. Mrs. Jean was one of my favorite customers at Palmetto Bank. I always enjoyed talking with her, she always had stories to tell about her family. She was just in my office a few days ago and I was just shocked, as I know you all were, to hear of her death. She was a fine lady and so well thought of in the community. We will truly miss her.*###imported-begin##Judy Cook###imported-end##

“ *Donna,  
I cannot imagine the feeling you have now. But know that the time you have spent with your mother laughing, crying, joking and sharing will be your strength in the days to come.  
I will try my best to be there tomorrow, but know you have been in my thoughts.  
Love ya....*Lisa###imported-begin##Lisa Tatum###imported-end##

“ *Butch & Donna: Thank you for letting me know about Jean. I'm sorry I can't be there, but will say a prayer. She was one of a kind. I'll always remember her. I always felt close to her and will remember the harrowing rides through the countryside when she was learning to drive the little black Ford.*

*My thoughts are with you.  
Love, Jan*###imported-begin##Jan (Corne) Neff###imported-end##
