“ Heather and Jason,  
We are so sorry for your loss. We can't even imagine everything you are going through. However, we know through your faith in GOD and the support you have surrounding you in SC and PA you will find the strength to make it through this rough and difficult time. Although Gracie's time here on earth was cut too short, know that your little angel is now in the arms of the LORD and has no suffering. We wish we could have been there for you, but know you are all in our thoughts and prayers! Sending hugs!

“ Jason & Heather, I am so sorry for your loss. You are very strong, and extremely special parents. I wish you all the best in the tough time ahead. But, I know that your lives will be richer having had Gracie in it. There are never adequate words to express sympathy at a time like this. But, please know that there are a lot of people holding you in their thoughts and prayers.###imported-begin##Patty Ratchford###imported-end##

“ Jason and Heather,  
At a time when your lives should be full of joy, the joy has been taken too soon. Grace is God's gift. In time joy will be yours again. Our hearts go out to you all and we understand your sorrow. May God Bless you, as he holds Grace close to his heart.
