“ *Our thoughts and prayers go out to the entire family and all friends of Iree Ellington. We have great memories of Iree that go back to my early childhood days. My parents would go visit her often in the Greenville, SC almost every year and they would come to Warner Robins, Georgia to visit us. We took trips together to the mountains. She was a loving person who cared a lot about those around her. Our sympathy goes out to Jim and Joel and the rest of the family. RIP Iree. We loved you and will miss her.*
