“ Fletcher was a thoughtful treasured gentleman, with old soul qualities that are rarely seen in this day and time. Our family is thankful for the moments we spent with him and his genuineness. A true athlete who overcame many obstacles and set goals to live while being kind. We looked forward to seeing and talking to him! A bright spot in the world. We will miss him!

“ Allison, you have my sincere sympathy in the loss of Fletch. He was a true friend to Roger and me. I will never forget how faithful he was to come and sit with us during Rogers illness and was there for me after his passing. I will remember the good times. He enjoyed life to the fullest. I will always love him and remember him as a dear friend.

“ *Uncle Fletcher*

*You were very special in my life. You would tie my shoe strings together so i couldnt get up. You always came to the house and visited us. You and grandma "Germaine" would show me and my friend how to dance the Charleston. You were always there for big events in our lives. Graduation, wedding, holidays. And just visits throughout the years. You always had a smile on your face and you always put one on others. You will be missed.. I love you and will see you again!! Love Merideth*

“ *What a special man he was. Papa Fletch, you will be missed, but what a celebration I know you are having in Heaven. He lived by the motto he passed on to me time and time again, “ don’t waste your time doing anything that doesn’t make you happy”. Boy have I heeded that advice and will think of him often. I’ll sip some Crown for ya Papa Fletch. Love your sweet soul.*

“ I always referred to Fletcher as “Neighbor” from the first time I met him. Anytime I’d see him I’d yell hello neighbor. And we’d meet at the fence and exchange hugs and small talk. Sure am gonna miss those sweet hugs. 😘 Until I see you in heaven.

“ We are saddened to hear of Fletch’s passing. He was a good man and a great friend to my daddy. He will be missed by all who had the privilege and pleasure of knowing him. So many grand memories of the Greer Country Club And the guys who formed it. Daddy and I were just talking about Fletch, Blade, Willie Canada just this week, I believe Tuesday when we were at the VA. And about coming and sitting on the porch and catching up. My have times changed but as they gather in heaven waiting on the others, they are getting ready for the game they’ve longed for. May you feel Gods presence, mercy, grace and love during this difficult time.
