“ My name is Kathy C Whittle. I am the daughter of Charles R Corley. My mother was Marie Corley and she passed July 23rd 2011. She and Montez were best friends. J A and Montez and my parents traveled together. They would drive here to Leesville SC to see mom and dad and to go eat at Shealy’s BBQ. I went with them one time and boy could they put some food down. I understood after meeting Montez why my mom loved her so much. I am so sorry for your great loss. Daddy is now in poor health all of the sudden. He is 92 now. I had no idea that J A had passed so long ago. I just wanted to let you know how much your parents meant to my parents. May God be with you. Sending you love and hugs from my daddy.
