“ *I am so sorry for the loss of “Toes” to your whole family! She had so much personality! I remember riding in the car with her and Deb and her talking me into stopping for ice cream! It didn’t take much! She shared her tomatoes with me! I loved seeing her at our annual camping trips! She always provided some good laughs!*

“ Deloree, Kitty and The Whittington Family, your mother was a jewel. She was always such a lady with elegance and grace and I always admired her and thought she had the most beautiful and amazing daughters. I valued the friendship Deloree that we developed over the years and I always looked up to you and could see how you were such an amazing woman because of your mother. Her influence was so great that she will have a great crown and many others that will approach her in heaven thanking her for her service to so many. May you feel Gods love, mercy and give you strength. Respectfully, Angie AshmoreKruise
