“ Linda, Jim, Elizabeth and Stewart (and the rest of the families as well). I just found out that Jack has passed.
I lived next door to Jack for 13 years. He was more family to me than my own family at times. He was always so generous and sweet - sharing tomatoes, laughter, stories and his family with me. I will miss him greatly. He treated my kids with the same kindness and love that he treated his own grandchildren. I am so glad he gets to see Rose since he has dearly missed her all these years. I can't be there today but know Jack is in my thoughts and prayers.
My love and sympathy to you all.
