“ *Ann, I was so sorry to read of Jack's passing. Our family had lost touch with each other which is a shame. Aunt Eliza was my favorite aunt and I have good memories of her family. I'm sorry I didn't get to attend the service but I have been sick for about two weeks with bronchitis.*

*Please give me a call sometimes. My telephone number is 862-3774.*

*I remember how highly Aunt Eliza thought of you.*

*Again, my sincere sympathy to you and your family in the loss of Jack.*

“ Mrs Finch and Family, please accept my condolences for your loss. Jack and I were friends during our childhood days in South Carolina where we both attended Overbrook Eastover Church. I havnt seen him for over 50 years because my family left Greenville when I was 16 but I have always remembered him fondly. He will be missed.

“ Dear Mrs. Finch and family, I was really sorry to hear of your loss. He was a really sweet and special person. He was really blessed to have such a supportive wife and family. Everytime I think of the book "To Kill a Mockingbird" I will remember my talks with Mr. Finch and look behind a door for Boo Radley.
