“ Dear Myrtie and Gary, I send my love to you and your families. Your parents were such a unique couple. They were the most perfect example of true Christians. They always made each of us feel their love for us and for God. I personally had the pleasure of enjoying their hospitality several times. Then I was able to have them as my guests in North Carolina twice and then again in Naples, FL. May you all find comfort in the memories.

Love,
Marilyn Speer
