“ Joe - You are already missed by your friends at Tradd Street. It was truly an honor to meet you and count you as a friend. I think of you every time I see an orange. Thank you for your service to our country. You paid a heavy price, Semoer Fi my dear "Jar-head".

You left a huge hole in our hearts, I will be praying for your family as they go through the grieving process. I firmly believe that we will meet on the other side wherever is no war, no tears and no pain.

Life is to brief. We will meet again!

With deepest sympathy for your family and gratitude to God for letting me know you.

Your friend, Herbie
