

Jack Philip Pfister

December 13, 2005 - June 25, 2025

Jack Philip Pfister, 19, passed away at home on June 25, 2025.

Born in Greenville, Jack is the cherished son of Ryan and Terri Pfister and the loving brother of his sister, Sarah.

He adored his grandparents; Phil Pfister, Patty Armstrong, and Donald Newton. He was lucky to live his entire life also surrounded by aunts, uncles, and cousins.

Jack showed compassion for all, was a loyal friend, and found a way to connect and bond with everyone. He made friends wherever he went and genuinely cared about every person he met or knew. Jack had the biggest heart and could make anyone smile! He was only nineteen years old, but in those years, he made so many lives brighter and more positive. So many loved and protected Jack.

On the basketball court, he was tenacious and showed grit that did not waver. He loved his dogs, Rosie and Sunny, listening to Morgan Wallen, and watching NBA games. In elementary school, his classmates voted Jack: "Most likely to become President of the United States."

Jack was a 2024 graduate of Greer Middle College where he had a significant impact on and off the basketball court. For 4 years, he was a starting Varsity player on the GMC basketball team leading to numerous school records. We will all remember when he scored his 1000th point and earned his 1000th rebound.

After high school, Jack spent his freshman year at Greensboro College,

playing collegiate basketball and majoring in accounting. He had plans to attend Piedmont College this upcoming fall and was excited to continue his basketball career there.

Philippians 4:6 “Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God.” In other words, don’t worry about anything, but pray about everything. Jack accepted Jesus Christ as his Lord and Savior on April 30, 2016, and was baptized on a beautiful sun-filled morning outside at Covenant Church.

Jeremiah 29:11 “For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future.”

We have peace knowing Jack is with the One he loved the most.

“ When our son Ben was just three months old, we moved from Texas to South Carolina, where I started a job at Wellford Elementary. Almost instantly, I connected with the dynamic and amazing school counselor, Terri. She also had a little boy, Jack, and our families quickly became friends. When Terri moved to Buena Vista, I followed. Ben and Jack went to daycare together, and they were the best of friends for the 5 years we lived in SC. I will forever hold that memory of Sweet Jack, with his quiet tenderness, and that big smile and huge hugs, close to my heart. Our family sends all of our love and condolences to the Pfister Family and to everyone who was lucky enough to have Jack in their lives. -Chris, Jess, Ben and Claire Bailey

“ Jack was such a good friend to Zeke. Zeke had just started 10th grade and was brand new to GMC and Jack was so welcoming and kind. He, Zeke gave him so many rides home from ball practice as Zeke wasn't driving yet and I was juggling his younger siblings. We loved watching Jack play ball. He was so strong, tenacious yet smart on the court. He made it look easy. He was a consistent guy and a blessing to our family. Even this summer Zeke was enjoying having Big Jack back around. Our hearts are broken, and our thoughts are with y'all so much as you walk this out. -katie mize
