“ *Jack was a gifted speaker who shared his experience, strength, and hope so very effectively. He helped me and countless others to live a better life. I'll always remember how he would sometimes share a bit of wisdom sprinkled with some humor, a wry smile, and a glint in his eye. I can see him now, in my mind's eye. Thank you, Jack. Rest in peace now with your children. My sincere condolences to your widow and other family members and loved ones.*

I am so sad to hear of the loss of Jack Plumley. He was a gifted speaker in AA and was great in encouraging those in the group. He was certainly thought highly of by my husband who was in AA too. My thoughts and prayers are with his widow and his friends he has left behind. He will be missed!!
