“ *Dad taught me the importance of hard work, dedication, loyalty. His love for the Lord was inspiring to me. His ability to teach (with words and mostly by actions) has helped develop me as a father, husband and son. I miss mom and dad, but thanks to Christ, we have a great reunion awaiting.*

“ *Like you I suffer a loss of someone who was dear to me. It was my privilege to be associated with him in business on many occasions. He was one of the most dedicated and effective men I knew.*

His love for family was unequalled. He was so proud of each of you and he spoke of you quite often.

May God bless and comfort you as you adjust to your loss. We will miss him also.
