“ *My condolences to Joanne and the rest of the family, Jackie was one of our favorite customers at the Clock Restaurant. He always had a kind word for everyone and his smile was contagious. His love for God, his wife and family was shared with everyone, and he was an inspiration to myself and others. I still have a stress cross he made and gave to me when I was going through some difficult times which I still constantly use. It is a reminder that my strength comes from the Lord. He will be remembered with love by many. Joanne, you and the family are in my prayers .*
