“ *What an incredible example of a life well-lived! His jovial disposition and bright smile will be missed by so many of us. Jack and Bertha had a light about them second to none. Their love for God, family, and friends was visible every single day on this earth. Janice, take comfort in knowing that we will see them again in heaven. May God hold you close to Him during this most difficult time.*

*With all my love,

*You could not ask for better neighbors and friends. We always looked forward to tomatoes and peppers out of Jack's garden. In their later years, Jack took such good care of Bertha. I believe they are having a great reunion in Heaven. To the family..may God be close to you during this time. Steve and Gayle Corbin*
