“ We started camping with the Gorman family about 25 years ago. Jack & Pat always welcomed us like part of the family, & I will always appreciate that. One of my favorite memories of Jack was how he loved to "horse around" with his grandsons. There was no doubt they adored each other. May God give you His peace that passes understanding, & always be grateful for the love of a wonderful father & grandfather.

“ Jack,

*Susan and i are thinking of you and your family during this time. Even though we are prepared for a loved one to move on to a better life, however; when that time comes we still greave at our loss. Jack, you are a strong man and great provider for your family just like your dad did. Take comfort knowing his Soul has moved on to the beginning of a new life without pain. He is there with your mom and rejoicing in the reunion. Fear not for his presence will always be there with you and will continue to guide you when you need it.*

*Celebrate the beginning of his new life and know he is smiling and rejoicing in the presence of the Lord.*

*God bless you and your entire family!*
