I'm sorry that I was confused and did not understand the timing of arrangements, I heard about Jackie when I came back from Europe and assumed that services had already been held.

I'm so sorry. I will be praying for you in this tremendous loss.

“ Dear Allan and Family: My thoughts and prayers have been with you since I learned of Jackie's illness. I loved Jackie and she was one of the closest friends that I have ever had. I know that I will see her again, her life showed that Christ was in it and she lived it as well.
She loved her family and always spoke so highly of you. She was such a precious person and I will truly miss her.
I will miss hearing her voice and her telling me that everything was going to be alright. I pray that the Lord will comfort you during these hard times, but remember where your mom and wife is she is sitting at the feet of her Savior.
Much love to you all.##imported-begin##Leslie Shelton##imported-end##
