“ Dear Debra & Family,
Please accept our deepest condolences. I hope you know that all of you have always made us feel as though we were part of your family. I will always treasure all the holidays-- from 4th of July, New Year's, Christmas to all the special occasions such as Broni's shower, Corey's & your Birthdays, to the great Barbecue s(Jackie was one great Barbecuer!) and dinners at our house. As far as Jackie & Zach goes those two had a very special bond a bond that will live forever in Zachery. We feel fortunate and truly grateful to have been able to be a part of Jackie's life. Know that our prayers and blessing are with you and your family.###imported-begin###Kathleen Crane###imported-end##

“ Dear Debra & Family,

Although I never had the pleasure of meeting Jackie personally, I really feel like I knew him well. I remember hearing his voice in the background while talking on the phone with Kathleen when Jackie came over to pick up Zachery to go riding. "Jackie this", "Jackie that", I heard so much about Jackie. There's no question of the impact that Jackie made not just in Zachery's life but in the lives of everyone that knew him. God needed him in Heaven, maybe to help start a team up there and I look forward to meeting him. May all of your beautiful memories give you strength at this time, and may time begin to heal your sorrow. I pray that you'll find a little comfort knowing that so many people are thinking about you across the country, and how much they care...###imported-begin###Kenny Fujimoto - Seattle, WA###imported-end##
