“ Remember growing up with this guy and he always had a smile on his face and a laugh that was contagious. Just like his daddy. Growing up with him and his brother was a gift I will cherish. So proud to be a part of this family! Say hello to your dad, our Uncle Bud, and my mom and dad, and ALL of our family that are there with you now Jimmy!! Loads of prayers for you Aunt Linda, Mike, and Aunt Kathy, and all of the Wolfe and Windham's!! Wish nothing but the peace of knowing He is in control, and to Him be the glory! Love to all!!

“ *I knew him when he was Jimmy, and I cannot imagine making it through high school without him. We sang together, ate two-man progressive dinners together, and kept each other laughing. Jimmy was a big-hearted human being. The world will remember him and miss him. Sending much love to his family.*

So sorry for your loss. We moved away in late June, so I just found out. I knew Jim for a very short time. He and Anna were the first people that I met when we moved to Greer last year. He welcomed us to town and thanked me for choosing him as our agent. He made me feel like family. His personality was bigger than life. He was such a nice man. I so enjoyed listening to him talk about horses, the ranch and his daughter. My sincere condolences to his family and Anna. May you find comfort in knowing that he was so special to so many people.
