“ As Jacob's Aunt, I will always remember our time together before and after school. He was quick to greet me with a "Hi Awesome Auntie!" Or some other sweet and cheerful exclamation. Jacob loved the Lord and read his Bible cover to cover. He adored his family and friends. He loved telling jokes! He was happiest at Chuck E. Cheeses, eating out and going to the movies. He was crazy about sweets! Jacob always had a kind word for a stranger. He will be sorely missed.❤️

“ I was privileged to know Jacob as a student in my class at Project HOPE Foundation. He was a kind, silly, energetic, sweet boy. I last saw Jacob when I moved from Greenville in 2016. I have a photo book of memories with my students that also includes a farewell letter and drawing Jacob made for me. The photo book was the first thing I grabbed when Rebecca texted me and said that he had passed. Jacob was an enthusiastic student, a genuine friend, and a tender soul. I am so fortunate to have known him. My heart is shattered that the world has lost his light. His smile will forever remain in my heart.

Lots of love,
Mr. Beau

“ I feel I am a stronger and much better Christian because of Jacob's love for the Lord and his longtime faithfulness to God, Bible reading/study, encouragement to others and witnessing to his fellow schoolmates! Such a wonderful admiration and love I had for my dear Grandson Jacob and those memories will last on in my heart til I take my last breath!

“ *So many fun memories I have of my Jacob. Some extremely memorable and enjoyable times when gathering several times, for several different occasions, at Chuck-E-Cheese! Jacob was in his glory playing along with Jonathan Michael a lot of times. He had a special machines to play on and got so excited when he received all the tokens! Before we left he would anxiously wait to cash in on his tokens! What wonderful memorable times we had! 😊*

“ *My heart hurts. Jacob was such an inspiration to many of his teammates AND his coaches at Lee Road Baptist Church. James and Rebecca, my thoughts and prayers are with you during this unimaginable time. Thank you for allowing me the absolute pleasure of knowing Jacob. The world is a lesser place without him but Heaven is now better with him.*
