“ Maxine I know there are no words we could say right now. But please know that we are praying for all of you and will everyday. We have very special memories of Jake and you. We will always treasure our trip to Lancaster with you guys, as well as many other memories. We so wanted to come to the services but couldn't get a flight everything was booked. We love you, Kelley, and Kevin and our hearts are broken for you. But we are thankful that God took Jake quickly and you didn't have to deal with the horrible affects of Alzheimer's. He is at peace now and free of pain and you will see him again. Our love to all of you!

“ *I'm sorry to hear about Jake's passing. I drive for SouthEastern freight lines. I met Jake 10-15 years ago, he always had smile, was ready to someone in need. I was really impressed with his Christian values. He will be missed. Woody*
