“ How very softly you tiptoed into our world, almost silently, only a moment you stayed. But what an imprint your footsteps have left upon our hearts.

What moves through us is a silence, a quiet sadness, longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say goodbye, but little by little, we begin to remember not just that you died, but that you lived, and that your life gave us memories too beautiful to forget. We love you lil Jaden!

Love,  
Marco & Marsha (Fat) Richardson

“ I'll always remember him. From when he was in his mommy's belly and we showered them with gifts, to him chillin' in his car seat at the office, to him playing on his blanket, to the most recent stories his Ju Ju was telling us at dinner, a few short weeks ago. May God shower this family with love, peace, healing and understanding.
