“ I was saddened to hear of Jim's passing. I'm a cousin of his although I haven't communicated with him for a very long time. Fond memories of his wonderful humor when we were younger...he was truly funny. My condolences to his family.  
Sincerely, Kiki Taylor

“ I am so sorry to learn about Jimmy passing away. I wish I could have been there for the funeral but just learned about this today on line. I have such great memories of when Jim and I worked together in Newark, NJ for New Jersey Bell in the 1970s. We would ride the train everyday from "the shore" to get to work. We used to bring our children with us on the train during Christmas time to go to our office for celebration. He was a great guy and I really loved him. My condolences to Ruth and his children Roberta, George and Michael.
