“ *We're sure going to miss this man. He was a Gem! From the time Kayla moved in next door he has been a welcome person. He's was just like one of the family. We loved hearing him tell his old stories about the olden days and lot included my Daddy. It's sure going to be hard looking up there and not seeing him out with his little bucket picking up rocks. He was always busy doing something. He called Kayla Ma'am, and believe me he watched out his Ma'am. Bless his family and just hold on to all your memories you have of James. He sure left the Bowers family with a lot! 😭*
