“ James was my rock and I his after we both lost our spouses. Neither of us wanted to be in a relationship after our spouses were gone we made that very plain to each other, but after a growing friendship we found out we loved each other. I know it was GOD'S plan and I thank BettyJane and Hal for granting us our time together and I thank his family for accepting me in there lives. I will go to be with Hal someday as he is with Betty Jane now. I will always love you James. See you in heaven##imported-begin##Carol##imported-end##
