“ *Bob and I are so sorry to hear about your dad passing. Please know that you will be in our prayers during this time of grieving. Jim was always so pleasant to be around and took very good care of our Aunt Iree.*

Even though we have never met, I feel as if I know you because Iree would always brag to us about you and let us know how proud of you she was. We are sorry that we will not be able to be at the home to meet you, because of my husband's health, but you will not be forgotten. Thank you for sharing your dad with us. It was our privilege to know him.
