Leon was working for the Greer Post Office. I had dropped mail into the outdoor mailbox. In my haste, by accident, I dropped our bank deposit into the outside mailbox. I went inside and Leon came out and opened the box to retrieve my deposit. I was so grateful for his kindness. No words of criticism. Just a smile. Charlene Waddell Campbell

Fayonskys as a part of our lives – from Greer, to Pamplico and back

“ Mr Fayonsky was our tax preparer for several years. We moved from TN and he was recommended to us. He was such a professional and kind. You felt confident he knew his business and could relax with him doing your taxes. He was a blessing to us and looked forward each year to seeing him
Know his family is missing him terribly. May God comfort you in this sad and difficult time

“ Leon an I went through school together at Walhalla, were always good friends. When he was able to travel, we made a point to travel up to Walhalla together to visit old school mates and friends. spent a lot of quality time together, we had a lot of mutual friends, one time even had the same girl friend, but she dumped both of us. Our senior year, Walhalla won the State championship in Basket ball. Leon was a part of that team, My condolences to JoAnn and the entire family. I am sorry I will be unable to attend the services. I shall miss my dear friend.
