“ *Annette and Family: I am so sorry to learn of the passing of Jimmy. It is so strange but just last night you and he crossed my mind and I wondered how he was doing. I talk to Glennis occasionally and would ask about you and Jimmy whenever I spoke with her. Losing your life-mate is one of the hardest (if not the hardest) thing you will ever have to do. But as you know God is good and He will get you through this season of your life. If there is anything I can do, please don't hesitate to let me know. My thoughts and prayers are with you and the family. Linda Parr*
