“ We were just talking about James last week. We figured he was going to out live all of us. We will miss his loving smile and his hugs. We will truly miss all his historical renditions, such great stories. We have lost a large part of our family's history. Hugs and prayers, Gary and Pam Putnam

“ Donna, Elliott and Family,
I'm so very sorry to hear about James. I have many fond memories of your family from as far back as our childhood. You were blessed to have him for so many years but it's still hard to lose our loved ones no matter what the age. I'm sorry I won't be able to attend the memorial service. I'm unable to walk or drive at this time, due to an accident. You will all be in my prayers.

Donna, Elliot, and Family, I am sadden to learn of your Father's death. He was such a delightful person and he was loved by so many people. You like me was blessed with good parents who loved us and gave us a Christian home to grow up in. Donna, I have fond memories of us working together at MetLife together and being able to enjoy the times I would see both your parents. May God wrap His love around you to give you His mercy, grace and the peace that only can give you during this difficult time. May comfort come from your many memories. God bless each of you. My heartfelt sympathy with love and prayers,

Elliott, Linda & Donna and Jane. This is a voice from the past, your cousins in the North. Yankees as Grandpa LB would call us. We are sorry to hear that your Dad has passed. We can't believe he was 105. Well LB lived to be 98. The Ford family has a history of longevity. Glad to hear Uncle Cecil is still with us and Billy Dean. I remember the trips to Greer and visits with RT and all of you. Take Care and Happy Thanksgiving Jim III, Joanne and Mandy Armstrong (Edna's family)
