“ *James and Grace Frederick were two of the charming young people in our youth group at First Baptist Church in Dwight, Illinois. I felt so honored to be their Pastor. The one thing that stands out in my mind was the day we took Jim to the airport and put him on a two engine prop plane to fly to Greenville, SC. to enroll in Bob Jones University. I have thought of him so many times through the years and recently we were able to reconnect through the internet Up until the end of his life Jim and my wife enjoyed playing a computer game with each other. We look forward to the day when we will meet him and Grace again and be together through all eternity.*
