“ I drove a dump truck with Mr. Greer. He was a cool guy. I just found out he passed, I'm sorry. I was at his house a couple of times and looked at his old car. He always had a smile and a little tid bits of information about anything and everything. He was awesome. Tracy Gilmer.

“ James was a classmate of mine in the First Class of MEBA's Engineering School in Baltimore MD. in the late sixties. I have fond memories of him as a classmate. James had a good sense of humor and was an upstanding young man. I feel your loss and will say a prayer. God Bless and watch over the Greer Family.

“ I've only known Jim for about 6 years but feel like I've known him all my life. Jim was the first to introduce me and my husband to the world of greyhounds. We met Jim during a M&G at Petsmart in Greer. Needless to say we were the proud parents of Andy by the end of the day! To know Jim was to know his love and passion for the hounds!!! His passion of course became my passion!!! After Andy he soon delivered me Cookie Dough! Gotta love HIM!!!! AND THEN Notchy and Bob.

I enjoyed home visits with Jim as well as the time we spent together at M&G's.

Shirley, I will keep you and your family in my prayers!

Happy Trails My Friend!!!!!! Love You..

“ Jim and I were friends all through our school days in Greer, graduating together in 1964. I saw him for the last time a year ago at our class reunion. He was his usual nice, kind and friendly self. I have never heard a negative comment concerning Jim. My life has been enriched by my friendship with him. For this I am thankful.

My thoughts and prayers are with you in this time of loss.

“ To the family, please accept my deepest sympathies on your loss. No words express the difficulty of coping with death although I pray the promise God gives in the scriptures strengthen you through this ordeal. “He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces...” Isaiah 25:8
