“ *James was the best loving friend I think I have ever known in my life. He was kind, caring and loving and a whole batch of fun. I can't even put all the experiences that I went through with him and Cathy except that they were all great and heartfelt. I will never forget Myrtle Beach and of course the Chicken Dance at the Grocery store. You will forever be in my heart and loved. I hope wherever you are there are Harley's and fresh Krispy Kream donuts.*

“ *So many things come to mind in such a short time of knowing Pappy! But none do him justice. He brought me smiles when I didn't expect them and laughter when most people would cry. This man knew how to brighten anyone's day! And those gator boots! Oh I could listen to him forever!
Love all of y'all and so happy to have met such a wonderful person!
Pappy, I still got our tickets to Florida* ❤️

“ James was a sweet friend that I grew up with all my life. My husband Donnie use to play at his house as a child. I was in school with James throughout all of the years starting off at Apalache Elementary. My folks had a rental house above their house when growing up. We all would gather there and play. Tons of boys and girls would be there. Great memories. Our Condolences and prayers for family.

“ My husband Scotty befriended James within last year. For the longest time I only knew him as Papi my husbands morning friend from 7-11. Scotty became close to him over this last year. Papi came to my mother in laws funeral. The morning she passed was the 1st time I actually met him. My husband and him would meet up all most every morning around 4:30-5:30 AM at the 7-11 at drink coffee and talk. I don't know what he will do now without him to be there. But wanted to send our deepest sympathy to family. Tell you, you had awesome Dad, brother, uncle, grandfather. My husband has been out of town for work and has missed being able to see him over last couple of days. He was deeply saddened to hear of his passing. But god willing we will be there for his service. With deepest sympathy Tracy and Scott Ballew
