“ Nancy, I haven't seen you in a long time, but I think of you and ask about you often. Kathy let me know yesterday of James' passing. I am so very sorry and pray that God will grant you peace and comfort in the days ahead. Would love for you, Kathy and I to find time to spend with one another soon. Bless you and your family,

“ To the family, please accept my deepest sympathies on your loss. No words express the difficulty of coping with death although I pray the promise God gives in the scriptures strengthen you through this ordeal. . . .And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Rev 21; 4

“ Ryan and family, Please know you are all in my thoughts and prayers. I remember James from a long time ago but I do remember that he was always a sweet man to me. Remember all of the great times you've had together. The memories are what has helped me most with the loss of my dad. I know me saying....time will heal your hearts may not sound like much now but I promise that "time" does help. Ryan, you know I love you dearly and I will help you and your family in any way I can. May God bless you all and give you serenity during this difficult time.

“ James was a lot of fun to be with, Nancy,James ,Kathy and myself had a lot of good times together over the years Nancy and Kathy worked together at Ryder Truck Rental. Even after we moved from Greenville we seemed to always find a way to meet and catch up on things and James always made me laugh. He always had a smile on his face no matter how he felt, and that made you want to be around him.He will definitely be missed by so many people and especially Kathy and myself.
