“ I love you sweetie with all my heart and soul you were the best thing that ever happened to me! I love you more today than yesterday. You will always be with me. I don't know how to face tomorrow without you. You blessed me with two wonderful stepsons and I am so grateful. I wish we had told them you tried to adopt them so they would be closer. You were a wonderful father/stepfather, for that I will always be grateful but most you are the love of my life! I'll always love you and join you when God says it's my time. All my love til I'm with you. All my love always! your loving wife,
Sally

“ Poppy you are missed so much! I love you. You guys took me in when there was no where for me to go and treated me like family. You were like a second father to me. I'll miss you so much. ❤️
