“ Having grown up with Tess (his grandchild) since we met in sixth grade, I've had the pleasure of being around the family a lot. This family is my family. Carroll was a loving man and I enjoyed seeing him on Sundays, holidays, and family events. I always looked forward to seeing him and Anlee. I am so grateful for the chance to have known him, learned from him, and to have loved him. I will miss him terribly. - Wendy Banner

“ To the family, I had the pleasure of working with Carroll for several years at JP Stevens and at Chiquola Fabrics. He was always a kind and compassionate man who never, ever forgot a birthday. He was as good a man as has ever walked on this earth. He will be sorely missed by all who knew him. May God's hand be upon each of you at this time and bring you some comfort in knowing that Carroll is now with his God.
