“ Hi Jan,
Thank you so much for your call regarding my "buddy". Such an amazing guy! He always asked how things were, how's the chickens, and always asked about GiGi, my potbelly pig. He loved the pictures and videos about my "farm family". He always had something funny to say and kept me laughing constantly. One of my favorites was when I asked him about his fishing trip with his brother and if he caught anything. He said: I'm not sure but I'll let you know in a couple of days!" That's my buddy!
I am so blessed to have gotten the opportunity to meet him and call him not only my friend, but my "buddy". I look forward to seeing him again and share more fishing stories.
You are so loved Jan , and my heart and love go out to you.

“ *Jim was my go to guy in sports. He was patient when I asked him a million questions and we had one more time with these last few weeks and basket ball. I loved our talks together .*

Jan, you are my best friend. I love you and I am keeping you and your family in my prayers
