“ Rob was a special brother in law. Always smiling and making you feel a part of the family. I know he was saved and ready to walk with his Lord. Sing his praises loud until we meet again.

Love you,

“ *My uncle Rob had a great sense of humor and was known for always being late.... he was loved and he touched everyone's life that he met... My dad will miss him much as he often tells me stories about his brother and how Rob always looked out for him, lent him his car when dad was young and gave him money to spend, something teenage boys like to have. Today uncle Rob will walk through the gates in heaven and will no more be bed ridden. We love you and will always cherish your memory.. Love yoir niece
