“ I would just like to express my sincere condolences to Mr. Hoskins' family. Even in the short time that I knew him, it was clear that he was a wonderful husband, father, and person in general. I only knew him for two days but he made a lasting impact on my life that I will never forget. I will continue to keep all of his family in my prayers during this terribly difficult time.

“ Olivia and all your family, know that you are constantly in our thoughts and prayers. I was so glad to read that your dad was a man of God ! I have a sister-in-law who grew up in Wiggins, went to college in Hattiesburg, and has a sister still living in West Point. We pray for traveling mercies for you. Losing your Daddy is not easy-- we know, we've both "been there, done that."

Take care,
