“ My heart hurts for all of you, I am still in shock. James was loved by so many people. He and Anne have been so good to help people and we will never understand why God took him too soon. I know James and I know that he would tell his family to stop crying over him and if you kept on he would make fun of you for it! He would want you all to continue the fish camp Wednesdays and the good beach times. It's hard to look forward without him but anybody that knows James would know that he would not want people moping around over him. Remember all the good times spent with him, be thankful that you had him as long as you did, and let that help you through this horrible time. Memories are forever they don't go away. I love you ALL!!!##imported-begin##Christi Williams##imported-end##
