“ Was saddened to learn of Jim's death. We go back a lot of years and I have many fond memories of him from boyhood up through our graduation from Taylors High School. Although I had not seen him in many years I still can recall times that we had like walking up the Southern Railroad, climbing up the old bridge on Suber Road and going to his house to spend the afternoon.  
The Dill Family has always had a special place in my life. Henry worked with my father at Southern Bleachery and Mrs Dill was always smiling and seemed such a special person. I still recall pleasant memories of Joe during my early years. Again I'm so sorry about Jim's death and I hate so bad that I'd pass his house time after time and always think how I should stop in to see him but never did.  
Each family member has my deepest sympathy.##imported-begin##Jim Wilson##imported-end##
