“ Martha & family, My deepest sympathy to hear of Mickey's passing. I have been out of town and just learned the news. Sorry can not begin to say how I feel. There are no words that comfort. Only the knowledge that one day we will all be reunited with those that we have loved and lost. Time will heal but always remember the wonderful memories that we all will cherish until we meet again.##imported-begin##Deanna Truett##imported-end##

“ Martha and family, our thoughts and prayers are with you during this difficult time. We are Joyce's Mom and sister, and only knew Mickey through talks with her and Joe (Glenn). He must have been very strong both as a person and in his faith. Also, it seems he was able to keep his good humor intact while going through all he had to face in life. Joyce and Joe, we love you both very much.##imported-begin##Dorothy French and Sue Brown##imported-end##

“ My Dear Martha and Family,

I guess you know that for years and years I heard about Mickey & Martha from my brother John before I ever met you. Turns out that my little brother really knew how to pick out very special folk. I still remember when we first met and I knew instantly there was a closeness to our Heavenly Father. I've attempted to understand why Mickey had to travel a path that was so difficult, and I think that I know the answer...his faith. Oh, yes Mickey has proven that in dire circumstances God walks with you and cares for you. WOW. May we all have such faith and Grace to bring us home.

God will continue to Bless you Martha.
