“ I am James and Lorayne's oldest grand daughter. I want to thank each and every one of your for your thoughtful comments and your prayers. Today I woke up crying missing my papa. He was such a wonderful man and leader of our family. He instilled in each one of his children and grand childer his very own special quality. He is missed so very much and will always be my hero. I am happy and at peace for I know that he is walking streets of gold and is loving every second of worshipping at the feet of our lord and saviour. May the lord bless each and every one of you###imported-begin###Dana Jordan Oldest Grand daughter of James Harrison###imported-end##

“ Lorayne and Brenda please know that you are in my thoughts and prayers. I was saddened to hear about Brother James passing. Church will not be the same without that smiling face that always offered a hug and hearing him sing Amen. But we know he went to a far better place and is singing with the angel band now.##imported-begin##Yvonne Smith ##imported-end##

“ James, I can't believe you are gone from us, but I know you are in a better place. I will never forget how much you taught me about music when I was growing up. That's where my love of music came from, and I have passed down that passion for music to my children. You would be proud of them. You will be greatly missed, but we will see you again so day. Our thoughts and prayers are with the family. With love and prayers,
