Tribute Wall

“ I had the privilege of caring for Mr. Loftis at the cottages while I was a student. Regrettably, I was never able to get back to visit as Katy asked me to do. I would like to express my sincere condolences for your loss. Losing someone you care for so deeply is ver difficult. I encourage you to look to the Bible for comfort. The resurrection accounts in the Gospels show the love that God and Jesus have for us, and give us hope for the future to see them again.##imported-begin##Arin Cook##imported-end##
