“ *I will always remember Jane as one of my best friends as we worked together at Springs Industries. She was a very hard worker and we would always have loads of fun on our breaks together along with Dot Ashmore. She never said a harsh word towards anyone and was always loving and kind. I wish I would have had more time to visit her after I retired from work. I'm going to miss her. Love you all, Judy Holifield.*

I always love Jane, she's truly a blessing on earth to everyone that knew her and now she's being blessed in heaven spending this father's day with our true Father God our creator and her daddy and mother. I'm sure they're having a reunion in heaven this day.

Jane was such a sweet and friendly friend - always loving on the children at church. Was such an inspiration and blessing to see Buck and entire family fill 3 rows at church this morning. We will miss her so much! Buck, you and all of your sweet family are in my thoughts and prayers.
