“ *Bonnie, Kelvin and Family. I knew Janet my entire life. We had many laughs together over the years. In the latter years it seems the only place we saw one another was at the mortuary. I suppose that's what happens as we get older. She was loving, sweet and kind. She always had a hug for me. I'm not able to attend the service today, because my mother is ill, but I am there in spirit. God bless each and every one of you and comfort you over the next days, weeks and months. “ My Mom

*When I was young
I could not see
How much love
She had for me*

*But as I grew
My sight became clear
In times of need
She always was near*

*Even when she worked
Everyday and everynight
When I was sick
I was within her sight*

*My mom was all
A mother could be
Strong wise and courageous
For my sister's and me*

*Today I held her hand
As her life slipped away
Knowing into heaven
She was going this day*

*My heart will ache
Forever it seems
For being without her
I could never have dreamed*

*I know God is good
And now she is home
With my Dad and siblings
She is not alone*

*She talked of this day
As she knew it must be
That we would be left
When she had to leave*

*In closing I know
She will live in my heart
The brightness of her love
Lighting the dark*

I will always love you Mom and I am so blessed you gave me the simple joy of reading at such an early age, the comfort of knowing I was loved and wisdom to know that loving your family is most important in life and the "other stuff is just stuff" in other words, a 30 second hug is more valuable than a \$300 gift.

Thank you all for your love and prayers

“ Ninny,

You will be missed dearly, I loved coming over and hearing your stories of you and your husband on the boat. You always had a warm welcome when I came in. I am going to miss your laugh and miss your stories. You had a heart of Gold. I know i didn't know you that well but the times that I did come over you welcomed me in with open arms. Thank you for all your advice that you gave me and Ryan. He always talked about you all the time. Every conversation we had he always brought up how you and him had many conversations and gave advice on how to make us better. Ryan always told me how you and him had many conversations about the bible, He would use some of what you told him in the talks you all had in our text. I am glad that I got to know you for as long as I did. You always had a loving spirit about you, thank you for welcoming me in like you did. I am going to miss you a lot.

*Love always,
Misty Cross*
