“ *I am so sad to hear of Janet's passing. She was wonderful to work with. She was always so kind to me, but she had snark at just the right times and I loved it! She will be missed. Praying for her family.*

“ *I worked with Janet for seven years and she was always that positive force. I loved chatting with her and at the end of my time there she was kind enough to give me rides to work as I was moving out of state and sold one of our cars. I am so sad that she is gone but she is in a better place. So many prayers for her family.*
