“ *Nanny Phillips was such a blessing to our family during our 13 years at Bible Baptist. She would love on our girls in the nursery every time we were at church. They always came home smelling like Nanny's perfume. She also would mail them a postcard whenever she traveled with Pastor Phillips. Her love and sweet spirit meant so much since we had no family in town. Her selfless, servant's heart was a great example too. Our love and prayers are with the family and we extend our deepest sympathy to each of you. Love, Chip and JoAnne Couch*

“ My fondest memories of "Mrs Phillips" are from my high school days attending Heritage Christian School in Little Rock AR. I volunteered to worked in the nursery for various functions, I enjoyed the babies and felt at peace when I was in the nursery. From time to time Mrs. Phillips would seek me out in the lunchroom at school and hand me an envelop with some money in it. I don't know if she paid the other nursery workers but I do know that for a young woman living with a single parent who was struggling to pay bills and send me to a private school, it was greatly appreciated. I was always welcomed in the Phillips home and Mrs. Phillips made the best pineapple cake in the world! Love you Mrs. Phillips...

Much love and prayers going out to the Phillips family. Nanny and all of you were and still are loved from the church family of Bible Baptist Church. We are blessed to have had Nanny to watch over our children in the nursery. They knew she loved them. We were blessed to have Pastor Phillips to watch over us and preach God's word to us the many years at Bible Baptist. May God place His loving Arms around each of you and give you the comfort and peace that only He can provide during this difficult time. I know you are rejoicing that she is in the sweet Arms of Jesus now. Love & Prayers, Sharon Curtis

On behalf of Victory Baptist in Loganville (home church of Jimmy & Carmen), we offer our condolences as well as our continued prayer for the family. From a distance, we've all seen the impact this Godly woman has had, not only in her family, but across the world as she honored and stood by her husband's faithful ministry, both in prayer and in testimony. May God continue to bless and issue grace to Dr. Phillips and his children and their families.

Charity was 18 months old when I handed her and entrusted her to Nanny's arms. When the Phillips were out of town EVERY nursery child received a personal postcard - that took lotsa time and effort.

Not only was she the epitome of a nursery director but she was one of my most trusted praying friends. MANY times especially when I was going thru chemo, she would bring a ham or turkey breast cooked with lotsa love to the Kinards.

She constantly sent written notes (and even letters) and phone calls of encouragement.

Her life's verses were Proverbs 3:5-6 "Trust in the LORD with all thine heart and lean not unto thine own understanding, but in all thy ways acknowledge Him and He SHALL direct thy paths." She closed every signature with the reference. Her name and the dates 1987-1988 are written beside them in my Bible as a result of LBS introducing ourselves with our favorite verses. Many, many times in my thoughts and prayers, I have clinged to Nanny's verses.

Every meeting of the Joyful Woman Jubilee committee, she had a 'love gift' regarding our theme.

Never has there lived a woman with a bigger heart than Nanny Phillips. Goin' to be able to fellowship with her all I want thru out all eternity.

So glad to have had the opportunity to have gotten to know Mrs. Phillips, Pastor Phillips and their family when my family (the Fountains) attended BBC in Charlotte. I was able to leave my baby Debbie in the nursery and feel confident that she was in a safe and loving environment in Nanny's care.
