“ *Oh the memories... My favorite memory is her cutting off all the lights and me and me and my sister dancing in the dark. To Motown music!! The best!! She was an amazing woman and mother and friend. My best friend. Me being the baby I have the "only child syndrome" so I was selfish with her. "My mommy" if u will... Rest in Paradise my sweet mommy. Wait for me. When we meet again only then will I be whole. I love you to the moon and back 100 times real slow! Love your Brittany Shea*
