“ My thoughts and prayers are with you all in this time of loss. I have known Jason since junior high school, and I will always remember his kindness and laughter. I feel blessed to have known such a charming, loving, and caring man. I also teach at O.P. Earle, and as I look at Chloe, I see Jason. She will carry on his love of life. May God comfort you all, as he watches over you.###imported-begin###Jessica Shell Brock###imported-end##

“ There are no words to express my sadness at the loss of such a good guy. Jason and I meet while working in a cafe on Woodruff road. He was one of the rare people I've met who instantly I would consider a life-long friend. He was always playing tricks and making hard hot work fun!! He also had the patience to teach, like I was what was important, not the dead-line of the project! But he worked as long as he took to get it done. I met him through Skip and Jeff, I will always remember him teaching me to use the nail gun and his infectious laughter! God Bless Jay-Dawg###imported-begin###Jordan Dupree###imported-end###

“ My deepest condolences go out to Jason's mother, brother, daughter, and friends and family. I have not seen Jason in a while but we used to hang out together in high school. I will always remember his million dollar smile and how he could always make you laugh. Last time I saw him he was showing off pictures of his daughter. He will truly be missed.###imported-begin###Amber Burns Irvin###imported-end###

“ My deepest sympathy and kindest regards to Pat and Chloe {his world}. I will miss him greatly, his zest for life and all the great times we shared! He was always there for me during my illness. I know that Heaven has an angel who will be there looking out for all his family and friends! I'll hope we remember the days of his life we all shared with the smile and the twinkle in his eye that always brighten any hardship we crossed! I am a richer person to have been blessed in having Jason as my friend! LOVE ALWAYS,
